

*(Excerpt from a letter received from EDC President addressed to TBC President Tom Allen)*

On behalf of the Eastern District Council I would like to extend our appreciation to you and the members of the Toronto Buddhist Church for their wonderful hospitality, support and warmth during the 2009 Eastern Buddhist League Conference over the Labor Day Weekend.

From the moment we entered the church until the last delicious dessert at lunch followed by Jeff Wilson's book promotion, we experienced wonderful shepherding through a most interesting and though provoking program of activity . The Famous People Dinner Theatre was most uplifting and eye opening learning adventure.

With heartfelt gratitude in gassho
