

Hello Mr. Tom Allen,

On behalf of the JSBTC, I would like to extend my deepest appreciation extending your invitation to the JSBTC. Thank-you for the opportunity in participating in such a wonderful event. The conference took a lot of time in planning and coordination in having such a memorable event unfold during the weekend. The Buddha Dharma is truly made clear by the cheerfulness and support your Sangha. Dr. Mark Unno and Dr. Jeff Wilson as your quest speakers did an outstanding Dharma talk which I'm sure touched everyone's heart in the ocean of Buddha Dharma.

Domo Arigato Gozaimashita,

In Gassho,  
Dave Otori
